<b>Phone Number:</b> 2124228795 <b>Fax:</b> 2124228799 <b>E-mail:</b> finans@vibroser.com.tr

Vibroser processes audio and / or video camera recordings at certain locations in order to ensure physical space security, to carry out occupational health / safety activities and performance evaluation processes, to provide information to authorized persons, institutions and organizations.

The monitoring areas, number and time of monitoring of security cameras are implemented to achieve these goals and the privacy of the person is not subject to monitoring in areas that may result in intervention that exceed safety objectives.

The personal data in question is based on the legal reason "data controller legitimate interest, execution of the contract" specified in Article 5 of the Law. Ensuring workplaces' security, controlling the entrances of buildings and facilities, increasing efficiency, ensuring the legal, commercial and technical security of people in business relationships, proving the business relationship, applying the principles of occupational health and safety, determining working conditions. These activities are recorded electronically and processed automatically and are protected by taking necessary technical and administrative measures. Images can only be accessed by authorized persons.

For the purposes specified above, data can be shared with natural persons or private law legal entities, shareholders, authorized public institutions and organizations, contracted service providers and cooperating organizations. Personal data can be transferred to judicial authorities or relevant law enforcement officers upon request to resolve legal disputes or in accordance with the relevant legislation.

You can make your requests within the scope of Article 11 of the Law regulating the "Rights of the Relevant Person" by sending the Application Form to Vibroser, the details of which are set out in the Vibroser Personal Data Protection and Processing Policy, which can be found at [www.vibroser.com](http://www.vibroser.com)
